**LETTER OF DEFICIENCY**  
**ARD No. 2001-011**

Dear Mr. DiFruscio

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by the Town of Jackson in response to the Letter of Deficiency No. ARD 2001-011 ("LOD"). DES has determined that the specific issues identified in the LOD have been resolved in a manner consistent with the NH Admin. Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution. Based upon DES's determination that compliance with the LOD has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Bartlett/Jackson Transfer Station. This letter does not provide relief against any existing or future violations. It is important that the Town of Jackson be aware of and complies with all of the requirements in its Authorization to Burn No. OB-00011050, and Env-A 1000, Prevention, Abatement, and Control of Open Source Air Pollution. Please feel free to contact DES should you have any questions regarding compliance with the rules or the terms and conditions of the Authorization to Burn.

DES recognizes the efforts that the Town of Jackson has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Joseph Ritz, Compliance Bureau, Air Resources Division, at (603) 271-1391. Thank you for your cooperation.

Sincerely,

Pamela G. Monroe
